The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 3. NOTE: The newly recited claim limitation including the sea/island suture having a plurality of islands changes the scope of the claim and, therefore, requires a further search and further consideration. Claims 39 and 40 require further consideration since they are now dependent on the suture structure of claim 13 rather than claim 1.
